Kubota is committed to manufacturing ground-breaking products of global engineering excellence and of the highest quality. Kubota’s New Product Limited Warranty detailed in this document exhibits the confidence we have in our products and Kubota’s commitment to customer satisfaction.

Kubota Canada Ltd. offers this limited warranty to all customers that operate and maintain their Kubota product as described in the Operator’s Manual. Warranty coverage on your Kubota product starts upon delivery of the product. Kubota Canada Ltd. warrants all parts (except as listed), implements and replacement parts to be free from defects in materials or workmanship during the warranty period.

This warranty is only valid in Canada to Canadian Market Products that are distributed by Kubota Canada Ltd.

Note: The warranties shown below are valid for units sold on or after the release date of this document. Please refer to the warranty form that was active at the time of the original retail date for the unit you are enquiring about to verify the applicable warranty.

DEFINITIONS

My Kubota Warranty

Standard Warranty coverage on your Kubota Product starts upon delivery of the Product and is transferable to new owners. Kubota will replace or repair, free of charge and including labor, any component that fails as the result of a manufacturing defect. Only authorized Kubota Canada Ltd. Dealers can perform warranty repairs.

Exceptions:

Kawasaki engines: Warranty is administered by authorised Kawasaki dealers.

Cummins engines: Warranty is administered by authorised Cummins repair centres.

K-Haul Trailers: Warranty is administered solely by the trailer manufacturer and their approved repair facilities (either Southland or Weberlane – see your registration documents provided by the dealer).

Standard Warranty

Provides coverage of all components in your new Kubota Product for the number of months or operating hours, whichever is first, specified in the Equipment Information Table. Except for tires, tubes, rims, cabin radio/cassette/CD and some Dealer installed kits and accessories. Standard Warranty includes the following coverage types: Basic, Powertrain complete, or separate Engine and Driveline coverage if applicable. Each coverage type is defined in greater detail in the following sections.

Extended Powertrain Warranty

Provides additional mechanical protection of major powertrain components for the number of months or operating hours, whichever is first, specified in the Equipment Information Table. Warranty coverage starts upon expiration of Kubota's Standard warranty, and it's only available on certain Kubota models. This warranty is offered to you free of charge. This may be complete powertrain coverage, or separate Engine and Driveline coverage depending on the model as specified in the Equipment Information Table.

Kubota Orange Protection Plan (KOPP)

Offers additional protection of defined systems and components at a reasonable price. This warranty is valid for the number of months or operating hours, whichever is first, specified in the Product Information Table.

Coverage starts upon expiration of Kubota's Standard warranty, or Extended Powertrain warranty, whichever is longer and it's only available on certain Kubota models.

Purchasable Supplement Warranty Credit:

If you do not make a claim during your Kubota Orange Protection Plan term, Kubota Canada will credit the full cost of your Kubota Orange Protection Plan towards a new Kubota unit, from an authorized Kubota Canada Dealer.

Note: The credit is not applicable if the Kubota Orange Protection Plan term was included as part of a Kubota sales promotion.

Credit can only be used towards the purchase of a new Kubota unit upon trade-in of original unit with the warranty added.

100% of the original Kubota Orange Protection Plan purchase price can be used excluding taxes.

You can use your Kubota Orange Protection Plan credit for a maximum of 25% of the total value of the new unit.

The credit must be redeemed within 12 months of the expiration of the Kubota Orange Protection Plan term.

If the credit was not redeemed towards the purchase of a new unit, The Kubota Orange Protection plan is fully transferable if you sell your machine. It remains with the machine for the duration of your purchased plan, increasing the resale value of your Kubota unit. The credit option is not transferred to the second or additional owners.

Travel Allowance: Kubota will subsidise dealers travel costs for one trip for each warranty repair on identified units, up to a maximum of 200 km (\$310) one-way (400 km (\$620) round trip). Additional costs are not included with the warranty. Dealers may charge for costs above this amount.

With some units this coverage if further broken down into the following categories:

LIMITED WARRANTY

TURF / AGRICULTURAL / CONSTRUCTION

Effective Jan 1st, 2024

Powertrain (Engine): Provides coverage of the engine components only, including emission components. Except maintenance and wearable items such as belts, filters, and glow plugs.

Powertrain (Driveline): Provides coverage of the major powertrain components, (excluding the engine), transmission, PTO, differentials, hydraulic pumps, hydrostatic swivel and travel motors and axles. Except maintenance and wearable items such as but not limited to, clutch discs including pressure plate and release bearing, brake linings, idlers and rollers, drive sprockets, drive chains, tires, tubes, and tracks

Battery

Provides coverage of the original factory installed battery. This first 3 months will be full coverage and for the following 9 months, the battery will be warrantied on a prorated basis.

Tires/Wheels/Tracks

Coverage of the original equipped wheels is 12 months from date of delivery to the end user for Turf products. When defined separately; some non-turf models have separate originally equipped tire or track coverage. For tires these are covered for 12 months on a prorated basis, based on the remaining tread depth. For tracks the coverage is based on months and the unit's hour meter to establish usage. All other tire warranties are handled directly by the tire manufacturer or its approved distributors.

Emissions Control System Warranty

Warranty statements required by law covering engine emission related parts and components are found with the operator's manual delivered with the machine.

Replacement Parts warranty

Provides coverage for all new Kubota parts you purchase over the counter, for 12 months. Except all wear items such as belts, blades, seals, bulbs, and all items covered in the section of "What This Warranty Does Not Cover".

You can also visit or call your local Kubota dealer for additional information.
